

CS: Lagged for S40, argument

The diagram illustrates a network of 15 personality traits, each represented by a circle. The nodes are arranged in a circular pattern. The traits and their relationships are as follows:

- angry** (light blue): Negative relationship with **compassion** (solid arrow) and **assertive** (dashed arrow).
- compassion** (purple): Positive relationship with **angry** (solid arrow) and **argument** (solid arrow).
- argument** (white): Positive relationship with **compassion** (solid arrow) and **aesthetic sensitivity** (dashed arrow).
- aesthetic sensitivity** (purple): Positive relationship with **argument** (dashed arrow) and **respect** (solid arrow).
- respect** (purple): Positive relationship with **aesthetic sensitivity** (solid arrow) and **creative imagination** (dashed arrow).
- creative imagination** (purple): Positive relationship with **respect** (dashed arrow) and **anxious** (dashed arrow).
- anxious** (light blue): Negative relationship with **creative imagination** (dashed arrow) and **energy** (solid arrow).
- energy** (purple): Positive relationship with **anxious** (solid arrow) and **assertive** (solid arrow).
- assertive** (purple): Positive relationship with **energy** (solid arrow) and **responsible** (solid arrow).
- responsible** (purple): Positive relationship with **assertive** (solid arrow) and **depressed** (dashed arrow).
- depressed** (light blue): Negative relationship with **responsible** (dashed arrow) and **intellectual curiosity** (solid arrow).
- intellectual curiosity** (purple): Positive relationship with **depressed** (solid arrow) and **productive** (solid arrow).
- productive** (purple): Positive relationship with **intellectual curiosity** (solid arrow) and **organized** (solid arrow).
- organized** (purple): Positive relationship with **productive** (solid arrow) and **trust** (solid arrow).
- trust** (purple): Positive relationship with **organized** (solid arrow) and **sociability** (solid arrow).
- sociability** (purple): Positive relationship with **trust** (solid arrow) and **energy** (solid arrow).

The diagram illustrates 15 personality traits arranged in a circle, connected by lines. The traits are color-coded: purple for positive traits, light blue for negative traits, and white for neutral traits.

- Positive Traits (Purple):** energy, organized, trust, respect, compassion, creative imagination, assertive, productive, responsible, sociability.
- Negative Traits (Light Blue):** depressed, emotional volatility, angry, anxious.
- Neutral Trait (White):** argument.

The traits are connected in a circular path, with lines linking adjacent traits. The connections are as follows:

- energy is connected to depressed and organized.
- organized is connected to energy and trust.
- trust is connected to organized and anxious.
- anxious is connected to trust and argument.
- argument is connected to anxious and assertive.
- assertive is connected to argument and creative imagination.
- creative imagination is connected to assertive and compassion.
- compassion is connected to creative imagination and angry.
- angry is connected to compassion and aesthetic sensitivity.
- aesthetic sensitivity is connected to angry and productive.
- productive is connected to aesthetic sensitivity and responsible.
- responsible is connected to productive and sociability.
- sociability is connected to responsible and energy.
- depressed is connected to energy and emotional volatility.
- emotional volatility is connected to depressed and trust.
