

CS: Lagged for S81, tired

The diagram illustrates a network of 15 personality traits. The nodes are arranged in a circular pattern. The nodes are: responsible, organized, sociability, emotional volatility, depressed, angry, creative imagination, energy, trust, respect, assertive, productive, anxious, compassion, and intellectual curiosity. The node 'tired' is highlighted in white with a black border. Solid purple arrows represent significant correlations, while dashed purple arrows represent non-significant ones. Self-loops are shown on several nodes.

The diagram illustrates a network of 15 personality traits arranged in a circle. The traits are connected by solid and dashed lines, representing different types of relationships. The traits are color-coded: purple for positive traits and light blue for negative traits.

Positive Traits (Purple): sociability, compassion, trust, organized, respect, responsible, angry, creative imagination, assertive, energy, productive, intellectual curiosity, and aesthetic sensitivity.

Negative Traits (Light Blue): anxious, emotional volatility, depressed, and tired.
