

A network diagram illustrating the relationships between various personality traits and the central node 'sick'. The nodes are arranged in a circular pattern around the central 'sick' node. The nodes are: compassionate, sociability, responsible, trust, energy, aesthetic sensitivity, intellectual curiosity, productive, creative imagination, respect, anxious, angry, and emotional volatility. The 'sick' node is white, while the others are purple. The connections are represented by lines of varying thickness and style (solid, dashed, dotted).
