

CS: Lagged for S186, tired

The diagram illustrates a network of 15 personality traits, each represented by a circle. The traits are: tired, respect, organized, emotional volatility, trust, aesthetic sensitivity, responsible, anxious, energy, sociability, creative imagination, compassion, angry, assertive, and depressed. The 'tired' trait is highlighted with a white background and black text, while the others have a purple background and white text. The diagram features numerous directed edges (arrows) of varying thickness and style (solid, dashed, curved) connecting the traits, representing a dense network of relationships. The title 'CS: Lagged for S186, tired' is positioned at the top left of the diagram.
